Condensed Unaudited Consolidated Interim Financial Statements of Colina Holdings Bahamas Limited Three Months Ended March 31, 2018 UNAUDITED

Message from the Chairman

Dear Shareholders,

The Board of Directors is pleased to present the Company's results for the quarter ended March 31, 2018.

Total net income for the three months ended March 31, 2018 totalled \$4.6 million, compared with \$5.6 million during the same period in the prior year. Similarly, net income attributable to the Company's ordinary shareholders was \$3.6 million or \$0.15 per ordinary share, compared to \$4.6 million or \$0.19 per ordinary share for the same period in the prior year.

Total gross premium revenues totalled \$34.7 million compared to \$32.5 million for the three months ended March 31, 2017. The decrease in net income is primarily attributed to an increase in net policyholder benefits relative to prior year experience. Net policyholder benefits were \$3.8 million higher in the first quarter of 2018 compared to 2017. Offsetting the fluctuations in benefit payments, however, was an increase in net investment income to \$7.7 million for the first quarter of 2018 compared to \$5.4 million for the same period in the prior year.

Our high quality investments and disciplined execution of our strategies continue to fortify the Company's balance sheet. Total assets stand at \$757.7 million, compared to \$743.5 million as at December 31, 2017. Similarly, we will continue our long-term strategy to direct new investments in high quality, fixed-income securities to ensure that invested assets remain the largest proportion of our total assets, which at March 31, 2018 comprised 80.1% of total assets.

The Board of Directors is also pleased to announce that the final dividend payment totalling \$4.0 million in respect of fiscal 2017 performance was declared for Class "A" Ordinary Shareholders and also approved were preference shareholder dividend payments of \$0.6 million in respect of the first guarter of 2018.

Overall, we are pleased that the Company continues to maintain its balance sheet strength and is well positioned to meet its targeted financial objectives over the long term. CHBL will continue to seek out opportunities which will enable the Company to deliver sustainable earnings in the future.

Terence Hilts Chairman
